

Demystifying Private Equity and Venture Capital Investing

The Management Development Programme on “Demystifying Private Equity and Venture Capital Investing” was held at CMS Business School, Jain University on September 6, 2014.

The facilitator for the programme was Padmini Sundaram, a seasoned Wealth Management Professional. Over 30 participants, across Industry and Academia enrolled for the day long programme. The levels of participation, enthusiasm as well as curiosity displayed made the Management Development Programme, an unqualified success.
