

Inauguration of EMBA Batch 2014

EMBA of batch 2014 was inaugurated by Mr. Sudheesh Venkatesh, Chief People Officer, Azim Premji Foundation on September 6, 2014.

Mr. Sudheesh Venkatesh in his speech stated that executive MBA programme is more of an experiential learning where the executives bring their experience to the table. The class room sessions would be more of a discussion and live cases would enrich all the participants in the class. This programme also helps to take the career to a higher level because every faculty who come for discussion in the class would bring their experience thus more the sharing more is the knowledge and more the skill development.

Prof. NVH Krishan, Registrar, Jain University also addressed the gathering.
