The Times Foundation, which has tied up with SpiceJet Ltd and HOPE Worldwide, has been providing relief material to thousands of people in earthquakehit Nepal.

The Times Foundation, part of The Times of India Group, operates nationally through several offices across India. SpiceJet has carried rescue personnel, doctors and nearly 10 tonnes of relief material on behalf of foundation without any cost. Essential materials have reached interior areas of Nepal like Bidur, Nuwkot and Ichangunarayan. "It wouldn't have been possible to reach out to the victims of the devastating temblor that killed over 7,300 people without the support of SpiceJet, Hercules Aviation and HOPE Worldwide," said the foundation.

Corporates such as Airtel, Broadcom, Unibic, KMF, Resergene Nutrition Foundation, Trishul Developers, Kronos India and CMS Business School and many individuals have contributed for the cause.
