Summary: (Write-up required minimum 4 to 5 lines)

The Faculty Enrichment Program at CMS Business School, Jain (Deemed-to-be University), focused on the fundamentals of data analytics, specifically covering "R Basics." The event aimed to equip faculty members with essential skills in using R for data analysis, including exploring the R environment, importing files, and creating data frames. Participants engaged in hands-on sessions that facilitated a deeper understanding of how to frame and analyze data effectively using R. This initiative not only enhanced faculty members' technical proficiency but also encouraged them to integrate data

analytics into their teaching methodologies, ultimately enriching the academic experience. Overall, the program fostered collaboration and knowledge sharing among faculty, promoting a culture of continuous learning and innovation within the institution.
