

Faculty Development Program
“BRAIN AND HUMAN PSYCHOLOGY”
17th February 2019

The FDP on **“Brain and Human Psychology”** was organized by CMS Business School, Jain (Deemed-to-be University) on 17th June 2019. The resource person for this event was Mr. Rahul Kapoor who is a public speaker and a prominent psychologist.

He began the session by elaborating how human brain works in accordance with the words, deeds and actions that we execute as mortal beings. He also explained about the psychological problems and its impact on the human mind, body and health and gave solutions on how such problems can be solved.

Emphasizing on the importance of mental health wellbeing the keynote speaker Mr. Rahul elaborated on the significance of evoking one’s spiritual senses and focusing on work with a sound mind.
