

**Faculty Development Program
Effective Strategies to Teach Operations Research**

5th September 2019

The FDP on “Effective Strategies to Teach Operation Research” was organized by CMS Business School, Jain (Deemed-to-be University) on 5th September 2019. The resource person for the event was Dr. KS Srinivasa Rao.

Dr. Srinivasa elaborated about the importance of Operations Research(OR) tools that help to solve complex problems during the periods of uncertainty using reliable data. He also explained how understanding the OR tool, its applications will strengthen the future managers to make informed decisions. The resource person emphasized on how Operations Research as a course in B-Schools, can be imbibed in the teaching and learning process.
