

## **Faculty Development Program**

### **On Remapping Sustainable Higher Education in India for The Future**

**19 June, 2015**

The FDP on “**Remapping Sustainable Higher Education in India for The Future**” was organized by CMS Business School, Jain University which was held on **19 June, 2015**. The resource person for the event was Ms. Riya Jain.

The program discussed about the various aspects of the India’s higher education system and attaining sustainable development in education through creation, transmission and dissemination of knowledge.

Increasing internationalization in teaching is strongly supported by the Indian education sector and is considered vital in developing India’s capacity in research, innovation, and driving up India’s institutional ranking to improving the quality of teaching and learning.

The program also elaborated on how the academic and intellectual environment in the institutions can be enhanced by providing faculty members with ample opportunities to pursue research and also by enabling them to participate in seminars / conferences / and workshops .
