

Khel Utsav 2018 - Annual Intra Collegiate Tournament 2018

It has been shown that physical education and sport is important to the development of children and young people. Sports day for children in primary school has been proven to enhance mental and physical development, as well as social skills and even improvements in academic performance. Playing sports helps develop teamwork and leadership skills. Working as a team to reach a common goal helps children develop communication and problem-solving skills that will benefit them on the field and off.

Objectives

1. To promote linkage between sports, clubs and schools.
2. To empower communities to provide opportunities for participation in a variety of local programs and events.
3. To foster the development of lifelong activities across a range of population growth.

CMS b School organized Khel Utsav - Annual Intra College Sports event from the 1 to 4 February 2018. Khel Utsav included cricket, badminton and football. As it was an intra-collegiate sports fest, students from various specializations took part in the fest to bring out the sportsman spirit and showcased their talents. The hard work put in by everyone in respective sports, showed how important such an event can be in their life.

Khel Utsav was a platform for both the teaching and non- teaching staff who participated in the fest and made the event successful. As the saying goes "Sports do not build character. They reveal it."

Results of Khel Utsav:
