1. Introduction:

The Fiscal Budget for FY 2024-25 this year aims to further strengthen India's economic status. With the objective of inculcating a deep understanding of various aspects of the Fiscal Budget among the students and faculty members, the General Management Area of CMS Business School organized a Seminar titled “Macro Economics and Management of the Economy” on August 14, 2024.

2. Program Objectives:

- To appreciate various strategies and tools used by government and institutions to maintain economic stability
- To provide participants with a clear understanding of essential macroeconomic indicators.
- To enable students to analyse the impact of global economic trends on national economies. To strengthen analytical and critical thinking among the students to analyse the challenges and issues in management of the economy.

3. Relevance to PO, Relevance to PEO and PSOs

PO	Program Objective (PO)
PO1	Apply knowledge of management theories and practices to address and resolve business challenges
PO2	Demonstrate analytical and critical thinking abilities for information-based decision making
PO3	Analyse global, economic, legal and ethical aspects of business
PO4	Apply trans-disciplinary tools and techniques towards effective problem solving
PO5	Assist others and self in accomplishing organizational objectives and contribute effectively to a collaborative team setting.
PO6	Exhibit an entrepreneurial mind-set for the establishment of sustainable businesses and societies.
PO7	Exemplify value-based leadership for excellence

4. Activity Overview:

Dr. Charan Singh discussed various aspects of the Fiscal Budget. He pointed out at the Economic status- India has a steady GDP of 3 trillion USD and R 2500 per capita income. India’s 5 years’ plan has failed to enhance steady growth. Now we have a 25 years plan of Viksit Bharat@ 2047.India is poised for excellent growth in the future thanks to the vision of the RBI governors.

5. Guest/Speakers’ Profile:

Dr. Charan Singh is the CEO and Founder Director, EGROW Foundation. He is also the Non-Executive Chairman of Punjab & Sind Bank. He continues to pursue his academic interests by regularly teaching courses on Macro, Monetary Policy, Global Economics (International Finance) and contemporary issues on Indian Economy at IIM Visakhapatnam and IIM Rohtak. Earlier, he was the RBI Chair Professor of Economics at the prestigious Indian Institute of Management Bangalore, India; Senior Economist at the IMF, Washington DC (August 2009-December 2012); and Research Director (Economic Policy, Debt Management; 1997-2009) at the RBI where he joined as Research Officer in the economics department in 1984. He started his career in 1983 as management trainee in Punjab National Bank. Among other positions, Dr Singh served on the Board of NHB and NABFINS. His expertise is on Fiscal Policy (especially Market Borrowings, Debt Management); Monetary Policy (especially Public Sector Banks, Interest Rates, Inflation Targetting); Financial Markets (especially Money Market, Financial Inclusion) and he has worked extensively on issues like External Trade, International Reserves, Global Hunger Index, Old Age Pension, other development issues related to India's Growth and Public Policy.

Dr Singh has published extensively and has two academic books to his credit, one published by Springer and the other by Cambridge. He has also contributed significantly in public domain through writings in professional journals. He also contributes in discussions on current affairs in leading newspapers and important TV channels. Dr Singh completed M.Phil in Applied Economics from JNU, Delhi and PhD in Economics from the University of New South Wales, Sydney in 1997. He followed it up with post-doctoral studies at Department of Economics, Harvard University from Aug 2003 to Aug 2004 and Stanford University from August 2004 to Jan 2006.

6. Summary and Key Learnings of the session:

Ms Ishita welcomed the gathering and introduced the speaker Dr Charan Singh. Dr Singh discussed a variety of topics namely Financial Inclusion and the changes in India due to various schemes like PMJDY, JAM Trinity and the Central Bank Digital Currency. The speaker spoke about the benefits to the weaker sections of the society with the MGNREGA scheme. The rationale for the prudent approach and vision of the RBI governors was also discussed. Overall, it was a very informative session to the students and faculty as well. The vote of thanks was delivered by Dr. Sumbul.

Dear Sir,

Greetings from the General Management Area, Faculty of Management Studies, CMS Business School, JAIN (Deemed-to-be University).

We are pleased to invite you as a resource person for a keynote session on **Macro Economics and Management of the Economy** for our MBA Batch 2024-26 students of I Semester.

JAIN (Deemed-to-be University) is a hub for learning and is ranked among the top universities in India. It is considered a cerebral destination for students across the world and Bangalore in particular, for its illustrious history of developing talent. The Bangalore-based University offers a great environment for learning, be it academics or extracurricular activities.

Known for its emphasis on education, entrepreneurship, research and sports, it has some of the best minds in the educational and research fields, and centres that inspire entrepreneurship and ground-breaking work to simplify and manage life better. What makes JAIN (Deemed-to-be University) different is its outlook toward life, its values, and beliefs. Its ever-evolving and open-minded system and quest for continued success and resilience, have made it one of the top universities in India.

The university has been accredited with A++ with a cumulative grade point of 3.71 in the year 2021 by the National Assessment and Accreditation Council (NAAC) and is ranked 68th nationally in the National Institutional Ranking Framework (NIRF), Government of India, in 2023.

CMS Business School, an integral part of JAIN (Deemed-to-be University) is a place where ideas are born, theories are debated and business is done. Much more than a source of knowledge, it is a catalyst that can make a difference to the career and personal progression of students. Our MBA Program has a strong foundation in academic research, yet is designed to tackle the very real issues that face today's international business community. The MBA program is rejuvenated with the TAP-R Model that brings it on par with international standards.

CMS Business School, JAIN (Deemed-to-be University), established in 2009, is among the top 100 Business Schools in the country, in the latest ranking according to the National Institutional Ranking Framework (NIRF), Govt of India. The Business School is accredited by the National Board of Accreditation (NBA).

CMS Business School is also an esteemed member institution of the Association to Advance Collegiate Schools of Business (AACSB), USA and the Business Graduates Association (BGA), an international membership and quality assurance body. BGA is part of the same organization as the Association of MBAs (AMBA).

As the faculty coordinator of the event and on behalf of the General Management Area, CMS Business School, I once again invite you to share your insights with our students as per the details given below:

Date: 14th of August 2024
