

Faculty Development Program

Mitigating Victimization through Document Analysis

22nd June, 2015

The FDP on “**Mitigating Victimization through Document Analysis**” was organized by CMS Business School, Jain University which was held on 22nd June, 2015. The event consisted of four sessions which were conducted by faculty members from the Department of Forensic Science.

The key speaker for the first session was Mr. Sujaya Raj, Assistant Professor, he spoke on the topic of ‘Questioned Document Examination’, focusing on the types of documents, qualified experts in the area, role and responsibility and preliminary examination of documents.

In the second session Mrs. Sravya, Assistant Professor highlighted the differences between a ‘Graphologist and Qualified Document Examiner’. She also made the participants aware of the types of forgery and the importance of handwriting analysis in the investigation process.

In the third session Ms. Jaya Sethi, Assistant Professor gave a presentation on the ‘security features’, including the aspects of fibers, colors, stitching thread, patterns, texts, ink, printing and many more aspects. In this session Ms. Glorita, Assistant Professor further spoke on ‘currency’ and its typical features in detail.

Mr. Peter, Assistant Professor gave a presentation on ‘types of credit card crimes’. He also made the faculty members aware of the way fraud is committed. He explained the terms skimmer, white plastic, shoulder surfing, lebanese loop, spoofing/site cloning, social engineering, phishing and other key loggers in an intriguing manner.
