

## Workshop on Financial Modeling & Simulations

CMS Business School organized a workshop on Financial Modeling and Simulations on January 22, 2018. The keynote speaker for the event was Mr. Uttam Tiwari, who is the Co-founder and Director of Business Toys Pvt Ltd.

The workshop equipped the students with the fundamentals of Financial Modeling that enabled them in building a model to depict financial statements and investment analysis using MS Excel. It also helped the students to arrive at an optimal business solution by analyzing various parameters. At the end of the course, the students were able to do the task of building a model depicting financial statements/business model, which helps in decision making.

After a brief discussion on the introduction to Financial Statement Analysis, Time value of money, Project evaluations, the speaker also demonstrated the formatting of excel sheets. Under formatting, students were shown data filter and sorting, table formula and scenario building, Lookups, and pivot tables.
