Mr. Jayant Tewari,

CFO & Business Advisory Services

Out-Sourced

Oriented towards Small and Medium Technology Companies (Revenue range USD 0 – 5 Million) providing a range of de-facto CFO Services on a retainer-ship as well as project assignment basis.

The Consulting practice is oriented towards Companies which lack the resources to employ full time CFO at current compensation levels and do not require the expertise on a full time basis either.

The Practice commits CFO capability on a time-sharing basis and provides top-of-the-line CFO capability at Finance-Manager cost levels.

The Practice thus adds significant value to the clients' operational capability and efficiency through enhanced quality of decision-making on a day-to-day basis.

**Mr. Subrat Kumar Sahu,
Director – Globallogic**

About:

I am an experienced Delivery Manager and a Solution Architect, skilled in defining and executing Business Process Management, consulting and leading multi-location projects in the U.S., Australia, India, and remotely in the U.K. With 18+ years of delivering top-notch project results for largest players in financial, telecommunications, and insurance industries, I have exceptional technical focus and detail-oriented approach on Enterprise Business Integration, Business Process Management, architecture definition for testing and business process best practices.

As a collaborative communicator and leader, I bring a successful track record of building trusted partnerships with customer executives, improving their business performance, and increasing business agility by delivering quality driven scalable solutions. My work experience includes a series of impressive accomplishments in leading complex global consulting engagements and exemplary execution of projects in Agile, ITIL, Rational Unified Process (RUP), Iterative, and a variety of custom Software Development Life Cycle (SDLC) methodologies.

Mr. Amarpal Singh Chadha

Partner

Ernst & Young
