------------------------------------	----

1. Introduction:

The Forex Simulation Gala is a dynamic competition where students showcase their currency trading skills. Students make real-time decisions, navigate market fluctuations, and enhance financial acumen. This event blends theory with practice, providing practical insights into the complexities of forex trading.

2. Program Objectives:

- To showcase and refine currency trading skills through real-time decision-making.
- To bridge the gap between theoretical knowledge and practical application in the dynamic forex market.
- To provide insights and experiences to prepare participants for success in the competitive realm of international finance.

3. Relevance to PO, Relevance to PEO and PSOs

PO	Program Objective (PO)
PO1	Apply knowledge of management theories and practices to address and resolve business challenges
PO2	Demonstrate analytical and critical thinking abilities for information-based decision making
PO3	Analyse global, economic, legal and ethical aspects of business
PO4	Apply trans-disciplinary tools and techniques towards effective problem solving
PO5	Assist others and self in accomplishing organizational objectives and contribute effectively to a collaborative team setting.
PO6	Exhibit an entrepreneurial mind-set for the establishment of sustainable businesses and societies.
PO7	Exemplify value-based leadership for excellence

4. Activity Overview:

The Forex Simulation Gala successfully provided participants with an immersive experience, allowing them to showcase and refine their currency trading skills through real-time decision-making. The event encouraged participants to apply their knowledge in navigating the complexities of the forex market. With a focus on skill enhancement, the Gala served as a valuable platform, offering insights and experiences that prepared students for success in the competitive global financial landscape.

5. **Guest/Speakers' Profile:** NA

6. **Summary and Key Learnings of the session:**

The Forex Simulation Gala provided participants with a dynamic experience to refine currency trading skills through real-time decisions. Bridging theory and practice, the event emphasized skill enhancement in navigating the complexities of the forex market. Students gained valuable insights, preparing them for success in the competitive global financial landscape. Overall, the Gala delivered an immersive blend of education and practical experience.

9. **Details of the judges (if applicable):** -

1. **DR. DHILIPAN .C**

Dhilipan is currently an assistant professor in the School of Management at CMR University in Bangalore, India. He received his MBA (Finance and Marketing) degree from

Anna University and his PhD in Management with specialisation in International Business and Entrepreneurship from Pondicherry University, India, and has participated in several high-profile conferences and published articles in Scopus-indexed journals. He has represented India as a delegate at the India-ASEAN Youth Summit in Bhopal and the India-Sri Lanka Youth Exchange Program, funded by the Ministry of Youth Affairs and Sports, India. His areas of interest include strategic sourcing, entrepreneurship, and intellectual property rights.

2. DR. SHASHANK M HIREMATH

Dr. Shashank M Hiremath is an Associate Professor at CMS Business School, part of JAIN (Deemed-to-be University) located in Bengaluru. He received his Ph.D. from Visvesvaraya Technological University in Belagavi, Karnataka, and possesses a wealth of educational qualifications including DISM, MBA, and M.Com (Banking), alongside holding a UGC-NET qualification in management.

With over 16 plus years of combined experience in academia and industry, Dr. Shashank has successfully led five research projects. He is well-regarded as a proficient trainer and analyst within the stock market domain. His expertise extends to training professionals associated with both financial and non-financial institutions, covering diverse areas like financial management, risk and portfolio management, operations management, and financial derivatives. Throughout his career, Dr. Shashank has actively engaged in various professional development programs, management development programs, conferences, summits and workshops. Moreover, he has showcased his organizational skills by spearheading seminars, conferences and industrial visits. His scholarly contributions have been recognized with several best paper awards at national and international conferences. Beyond academia, Dr. Shashank is a committed permanent Life member of the Indian Red Cross Society in Bengaluru.
