**Restructured Loans**

- A bad loan has been modified into a new loan
- It was a past NPA
- Restructuring includes extended repayment period, reduced interest rates, conversion of part of loan into equity or combination of above
- The borrower repayment of modified loan is also risky and stressed
- CDR, SDR and S4A are some of the methods of restructuring a loan

Corporate debt restructuring

**Key Highlights**

- For the first time Government dues rank below the claims of creditors
- Paradigm shift – from debtor in control to creditor in control
- All insolvency related matters under one law – complete code
- Key criteria shifted from “erosion of net worth” to “occurrence of default”
- Time bound process
- Clearly defines distribution process
- Strict penalties/prosecution for misuse, concealment, frauds
