Dear Madam,

This email is in connection with conducting a Financial Awareness Session for the students of your institution.

HDFC Asset Management Co. has authorized our company M/s OSAT Knowledge Pvt. Ltd. to conduct a Mutual Fund Expert Speak session for PG students across educational institutions to promote financial awareness at a young age. This session is aimed at enhancing the industry-relevant knowledge of the students before the placement season kicks off at your institution. The students will also get an opportunity to interact with financial services industry veterans about their future career-related queries.

The duration of the session is 90 mins and the same is conducted free of cost.

A similar session is proposed to be conducted for the teaching and non-teaching staff of your institution as well which can be conducted separately. The session helps your earning staff to be informed investors.

Both the sessions, for the students and the staff, will be conducted by Dr. Balaji Rao DG, a financial services industry veteran, whose profile is enclosed for reference. Also enclosed is the profile of Osat Knowledge.

Details of the session:

- Overview of Investments and Financial Services
- Overview of Mutual Funds
- Introduction of HDFC Asset Management Company

We will need the support of a projector with HDMI cable and a classroom set up to conduct the session.

We will be taking a few pictures of the event and attendance of the participants which needs to be submitted for proof of having conducted the session.

We look forward to hearing from you on scheduling the session.
