No, Sushanth, I am having classes from 8: 40 to 10: 40 tomorrow. We shall meet at 4 PM at seminar hall 3. Request you to make it convenient and be at the seminar hall by that time as far as possible, it is very important. We should look at the composition of classes, dates, timings, logistics, and most importantly the content of the events and our preparedness about them since this is being looked at very seriously, so we need to pitch in and plan accordingly and meticulously. Pooja don't mind, please mail the questions already sent in whats app.
