#### 1. Introduction:

The intercollegiate mock stock and live trading competition is an exciting event that brings together students from different colleges and universities to compete against each other in a simulated trading environment. This type of competition provides a unique opportunity for aspiring traders to gain practical experience in stock market trading while also allowing them to put their theoretical knowledge to the test. The competition typically involves a mix of mock

## FIG Activity Report

trading exercises and live trading simulations, with participants using virtual funds to invest in a range of stocks and other securities.

**2. Venue (Outside/Inside the campus):** Lobby of CMS Business School

**3. Program Objectives:**

- To enhance financial literacy.
- To develop trading skills.
- To Encourage students to work together and develop leadership skills.

**4. Relevance to PO, Relevance to PEO and PSOs**

| PO   | Program Objective (PO)  |
|------|---|
| PO1  | PO1 - Apply knowledge of management theories and practices to solve business problems                                       |
| PO2  | PO2 - Develop analytical and critical thinking abilities for data-based decision making                                     |
| PO3  | PO3 - Understand, analyse and communicate global, economic, legal and ethical aspects of business                           |
| PO4  | PO4 – Identify and apply trans-disciplinary tools and techniques for projects and solving problems                          |
| PO5  | PO5- Lead oneself and others in the achievement of organizational goals and contribute effectively to a team environment    |
| PO6  | PO6 - Inculcate entrepreneurial mind-set for sustainability   |
| PO7  | PO7 - Imbibe value-based leadership for Excellence  |
| PSO  | Program Specific Objective (PSO)  |
| PSO1 | Demonstrate effective response to industry challenges by applying managerial tools and techniques for a sustainable society |
| PSO2 | Appraise the complex specificities of Indian Business to garner global reputation   |
| PSO3 | Develop a holistic thinking solopreneur for a self-sufficient society   |

**5. Activity Overview:**

On April 21, 2023, an intercollegiate mock stock and live trading competition was held from 11AM to 2PM. The event provided participants with a valuable opportunity to gain a deeper understanding of how the stock market works, including the factors that affect stock prices and how to make informed investment decisions. Additionally, the live trading competition allowed participants to put their knowledge and skills to the test in a simulated trading

## FIG Activity Report

environment, potentially providing valuable real-world experience that can be applied in future trading scenarios. The event also provided networking opportunities and the identification of top performers based on their trading success.

**6. Guest/Speakers' Profile:** NA

**7. Summary and Key Learnings of the session:**

The intercollegiate mock stock and live trading competition is a highly engaging event that provides students with a unique opportunity to gain practical experience in stock market trading. The competition involves a mix of mock trading exercises and live trading simulations, allowing participants to test their skills and knowledge in a simulated environment. Key outcomes of the competition include improved understanding of the stock market, networking opportunities, the identification of top performers, and potentially valuable real-world experience that can be applied in future trading scenarios.

**8. Participant details:** Final year and students from outside

- Final year students of CMS Business School
- Students from outside
