Dear Ashok and Sohaib,

Hope you are doing well.

Since we were too hectic with some series of works related to inspection, we couldn't focus and complete the above report.

However, now I need to submit the report in 2 days, request one of you who have got the registrations for the above event, and as far as you can remember your classmates who attended the same, please compile a list of attendees, participants, winners and runners separately and mail me. I need to send in the details of the same as part of the final report. Pls mail it to me by mail preferably at the earliest, hopefully by tomorrow evening.

Thank you,
