Summary: (Write-up required minimum 4 to 5 lines)

The Moot Court Competition for Semester III students of the MBA 2023-25 cohort was a dynamic event, designed to test students' analytical, communication, and legal presentation skills. Dr. Madhuchandrika inaugurated the session with a warm introduction, setting the tone for the competition. Following her, Dr. Pradeep, the GMIC Coordinator, outlined the rules and regulations, ensuring participants had a clear understanding of the guidelines. The competition was judged by Dr. M K Lodi, who evaluated the teams' performances based on their arguments, presentation, and legal reasoning. Students were divided into pairs, with each pair assigned opposing roles as plaintiff and defendant for the cases provided. The event ran smoothly, concluding with the announcement of a winning team and a runner-up. The competition not only encouraged a spirit of healthy competition but also gave students valuable insights into real-world legal proceedings.
