peCharcha/Symposium/FEP and any other Training Programmes-2020-21**

1. Introduction:

The activity is titled as “**BAMUNs**(Business Analytic batch model of United Nation Conference)”, dated 23 rd March 2021. MUN also known as Model of United Nations, is a debate event, generally conducted by the UN to discuss the economic issues of various countries around the globe.

BA MUNs is the similar event for Business Analytic sessions for IEP class where students were divided into 4 teams, representing 4 different states and discussing the economic issues of their states.

2. Venue (Outside/Inside the campus): Inside the campus

3. Program Objectives:

- Foster learning through accumulation of knowledge by application learning to economic theories and practices to solve problems(PO1 & PO2)

4. Relevance to PO and Relevance to PEO

This activity help the student to understand the history of Indian economy and understand the socio economic problems in a broader way.

5. Activity Overview:

BA MUNs is the similar event for Business Analytic sessions for IEP class where students were divided into 4 teams, representing 4 different states and discussing the economic issues of their states.
