1. Introduction:

In workshop mode, Prabodh will provide students with a deeper understanding of significant dimensions of the master thesis which includes research methodology, data analysis, report writing, and the subsequent conference presentation and publication processes to MBA-CHR & MHR III Sem Students.

2. Program Objectives:

- To develop a deeper understanding of Master Thesis for MBA-CHR & MHR IV Sem students
- 3.** To be familiar with the Second stage of Master thesis aspects which includes research methodology, data analysis, report writing, and the subsequent conference presentation and publication processes.

Relevance to PO, Relevance to PEO and PSOs

PO	Program Objective (PO)
PO1	Apply knowledge of management theories and practices to address and resolve business challenges
PO2	Demonstrate analytical and critical thinking abilities for information-based decision making
PO3	Analyse global, economic, legal and ethical aspects of business
PO4	Apply trans-disciplinary tools and techniques towards effective problem solving
PO5	Assist others and self in accomplishing organizational objectives and contribute effectively to a collaborative team setting.
PO6	Exhibit an entrepreneurial mind-set for the establishment of sustainable businesses and societies.
PO7	Exemplify value-based leadership for excellence

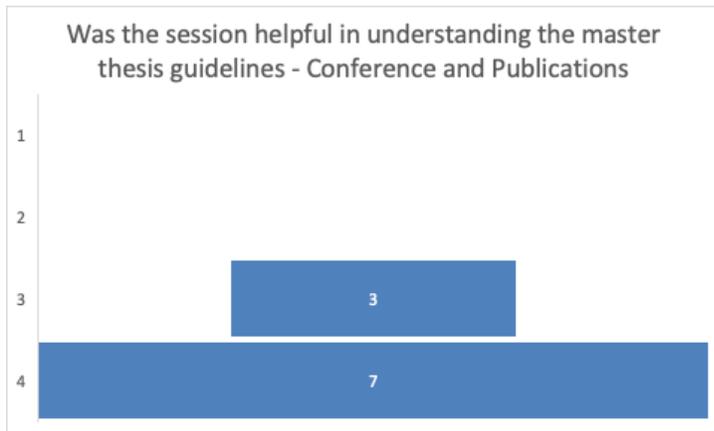

4. Activity Overview: The Program started with an introduction about the initiative of Prabodh by our Area Chair, Dr. Monoo John. Dr Urmila started the session by introducing the concepts of research methodology, data analysis, report writing, and the subsequent conference presentation and publication processes. She explained the concepts using various research examples, software and other resources that students can use to start with the master thesis work.

5. Guest/Speakers’ Profile: NA

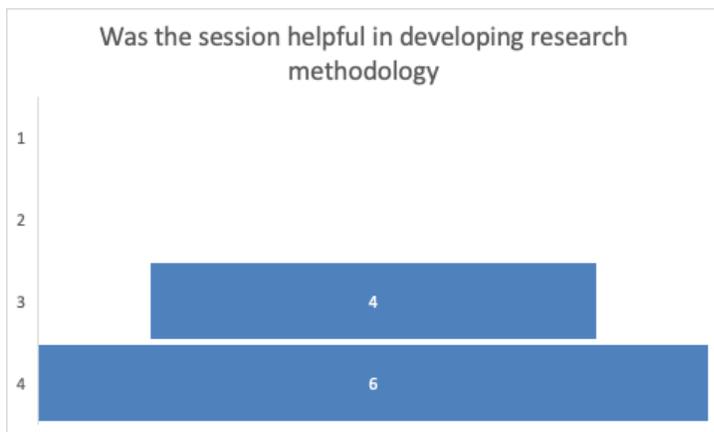

6. Summary and Key Learnings of the session:

The session created an environment conducive to learning, equipping students with foundational knowledge and practical tools necessary to initiate their master's thesis work. The interactive nature

		guidelines - Conference and Publications	methodolog y		and citations?

Students found the session extremely helpful in understanding the master thesis guidelines - Conference and Publications, with 10 respondents indicating either agreement or strong agreement. Only one respondent felt neutral about its effectiveness. Overall, the feedback suggests that the session was highly beneficial in providing clarity and understanding of the master thesis guidelines - Conference and Publications.

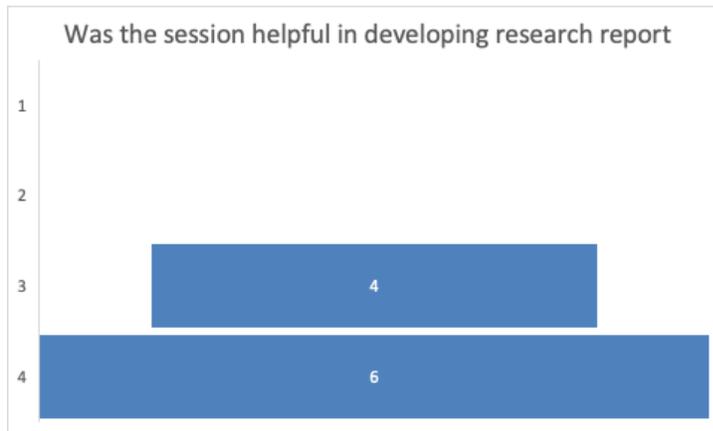

Looking at the analysis, it appears that the majority of respondents found the session helpful in developing research methodology for their master's thesis. A total of 10 respondents either agreed or strongly agreed that the session was beneficial in this aspect. Overall, it suggests that the session was quite effective in assisting students in this critical aspect of their thesis work.

The overwhelming majority, a total of 10 respondents, either agreed or strongly agreed that the session was effective in understanding the importance of data analysis for their master's thesis. Overall, the feedback suggests that the session was highly beneficial for the student's thesis work.

The session was immensely beneficial in understanding referencing and citations for their master's thesis. All respondents either agreed or strongly agreed that the session was effective in this aspect. The unanimous agreement suggests that the session provided valuable insights and guidance for students in developing referencing and citations, indicating its significant impact on this crucial section of their thesis.

It appears that the session was highly effective in developing a research report for their master's thesis. The vast majority of respondents (10 in total) either agreed or strongly agreed that the session was helpful in this aspect. No respondents disagreed or felt neutral, indicating that the session was unanimously perceived as beneficial in developing a research report

10. Proposals for the Event/Programme:

To,

The Programme Coordinator for kind approval,

Sub: Conduct Prabodh – Master Thesis Orientation

The purpose of the Prabodh – Master thesis orientation for mentors and mentees was to bring clarity and understanding of significant dimensions of the master thesis which includes problem statement identification, research gap writing, Review of literature, theoretical underpinning & research framework to MBA-CHR & MHR III Sem Students.

The session has been planned for two hours. The planned program duration will be from 2:00 PM to -4:00 PM on Feb 28th, 2024.

Respected Programme Coordinator your kind approval is requested for the conduct of the same.

The Dean has recommended this proposal.

Kind Regards,

Faculty Coordinator

Dear Harsha Sir,

The OB & HR Area is organising a session on Master Thesis Research orientation- phase II in workshop mode for students of CHR and MHR as well as faculty under the banner **PRABODH**.

This is to kindly request your help and support in circulating the Poster and Registration link amongst our students of CHR and MHR. The program is compulsory for CHR students of III Semester and OB & HR faculty and voluntary for students of MHR. Kindly upload the attached poster to faculty groups too.

Kindly circulate with the following content amongst CHR and MHR students :

"Dear students, You are required to attend a Master Thesis Research Orientation - Phase II under the banner of **Prabodh** on 28th Feb 2024 from 2:05 to 4:05 PM at 210. The orientation is compulsory for CHR students while MHR students who are interested are invited to attend. The orientation will focus on answering two questions on the following themes: research methodology, data analysis, report writing, and the subsequent conference presentation and publication processes.

The registration link for both CHR & MHR is given below.

<https://forms.gle/e3xm6oFd24C5sBCe7>

Kindly check the details in the attached Poster.

You will have the opportunity to engage with your mentors during the workshop.

All the Best!

Thank you

Warm Regards

Dr. Monoo John
